

Linnæus University

Sweden

Thank You ALL for participating in Linnæus Eco-Tech 2016!

Linnæus Eco-Tech 2016 conference has great success!

Linnæus Eco-Tech already has gain excellent experiences during twenty years! The moment we were always passionate about! We enjoyed working with all of you: colleagues, friends and participants.

We would like to thank the people who made the conference possible, those who planned day by day to get altogether an outstanding program.

We especially would like to express our appreciations to the session chairs, keynote speakers and presenters! We appreciate the time and effort you included while creating and giving your presentations.

We would like to take this opportunity to say thanks to the International Scientific Committee that reviewed a mountain of full papers and helped selecting the best.

Thanks to all guests and participants! Thank you all for coming to Kalmar and participating in Linnæus Eco-Tech 2016! We're sure all of us will keep memories of this conference.

A big thank to You- Sponsors! The Linnæus Eco-Tech 2016 conference never could be such a success without your kind support and contributions.

Additionally we thank Nybro Energi, AB Gustaf Kähr and More Biogas for the wonderful study tours, through provision of equipment demonstrations and presentations.

We, in the ESEG group, want to thank You ALL so much and we are looking forward to repeat our success again in 2018!
