The text is available upon request.

## Author Contact

Author contact details are available upon request.

## Conflict of Interest and Funding

The author submitted this to the journal he founded and is Editor-in-Chief at. He reviewed and edited it himself, and then coerced the editorial assistant to copy-edit it outside of office hours. Hence, no conflict of interest.

## Author Contributions

A detailed CrediT table is available upon request.

## Open Science Practices

This article is fully open access.
